What's coming?

Gatsby Actions

What's coming?

Gatsby Actions

Orchestrate AI agents that leverage Gatsby's data to generate reports, execute trades, backtest strategies and more.

Gatsby is growing.

Gatsby is growing.

We planted our roots a while ago,

Gatsby is growing.

We planted our roots a while ago, so we've got a great head start,

Gatsby is growing.

We planted our roots a while ago, so we've got a great head start, and know exactly where we're going.

Gatsby is growing.

From a team of two and a prototype in early 2024

Gatsby is growing.

From a team of two and a prototype in early 2024 to a team of eight (and hiring), a functioning beta and enough runway to build through 2025.

One thing is certain: 2025 will be a big year.

One thing is certain: 2025 will be a big year. Just ask Gatsby.
